Economic Development Advancement Fund Refunds – Section 7.015

Upon issuance of the tax credits, the fees are paid by the recipient. This core item provides the Department of Economic Development the ability to refund an overpayment or erroneous payment of any amount credited to the EDAF.

In 2018, SB 590 authorized a 4% fee of the amount of tax credits issued under the Historic Preservation Tax Credit program. The fee will first be applied in FY 2020 projects.

Main Street Program TRANSFER – Section 7.060

Page 100

Description: One-time funding added during FY25. This New Decision Item was needed to switch the fund source for the Main Street program from the Economic Development Advancement Fund (EDAF) to General Revenue (GR), which requires a GR transfer into the Missouri Main Street Fund. The Main Street Program was originally funded by a GR transfer into the Missouri Main Street Program Fund per § 251.485, RSMo, and was switched to EDAF with the FY2014 budget due to GR shortfalls. With an increase in the amount of appropriations, EDAF can no longer support the number of assigned appropriations. DED will focus the appropriations from EDAF back to the main purpose of supporting DED's marketing efforts under § 620.1900.5, RSMo.

The Missouri Main Street Program was initially funded by a General Revenue (GR) transfer to the Missouri Main Street Program Fund, as outlined in Section 251.485 of the Revised Statutes of Missouri. In FY2014, funding was switched to the Economic Development Advancement Fund (EDAF) due to GR shortfalls. In FY2025, funding was switched back to GR as one-time funding. In FY2026, the department requested Main Street be funded with a GR Transfer, but the GR transfer was denied, and spending authority was moved to EDAF.												
DED is concerned EDAF is unable to continually support this program due to the cyclical fluctuations in revenues. However, this NDI request is for an ongoing EDAF transfer to the Missouri Main Street Fund (1596).												
A corresponding core reduction and fund switch NDI have been requested to move the program spending authority from a direct EDAF (1783) appropriation to an EDAF transfer to the Missouri Main Street Fund (1596). Both requests are dependent upon the approval of this NDI.

RSMo 620.806 created the Missouri One Start Job Development Fund (1600) to transfer General Revenue funds appropriated by the general assembly for the purpose of the Missouri One Start Customized Training program. Beginning FY24 through present, the general assembly switched the funding mechanism to a direct appropriation from General Revenue, with no authority to transfer to the Missouri One Start Job Development Fund. This NDI request (Initiative 002) reverts to the funding mechanism authorized in RSMo 620.806.												
Initiative 002 is a three-step budget process. Step One – NDI for GR Transfer (rather than a direct GR appropriation). Step Two – Core Reduction of current, direct GR spending authority. Step Three – Fund switch from direct GR spending authority to spending authority from the fund receiving the GR Transfer (Missouri One Start Job Development Fund (1600).												
This NDI (step one) is followed by steps two and three referenced above: Core Reduction of the current GR spending authority and NDI for spending authority out of the Missouri One Start Job Development Fund, respectively.
